# Maintenance

The standard warranty for this machine is 12 months from delivery, including parts and labour.

## **Maintenance covers:**

- Installation and training
- 1 Year of on-site service
- Full parts and labour cover
- Next working day (eight working hours) on-site response for breakdown call-outs
- Guarantee that print processing is complete if a problem cannot be resolved on-site
- One preventative maintenance visit per year (clean and/or replace parts)
- Telephone helpdesk
- Replacement machine supplied on-site if your machine is not repaired on breakdown call-out.

## Why Datagraphic?

Many of the UK's leading organisations rely on us for pressure seal solutions. Here are a few good reasons why we should be your first choice:

- Datagraphic can provide next-day response times on call-outs, with a wide network of trained engineers covering the UK mainland.
- Datagraphic provides extensive choice with access to many different pressure seal machines from all leading UK specialists.
- Datagraphic's experienced team has extensive product knowledge and offers support every step of the way to recommend a pressure seal solution that's right for your organisation.
- Datagraphic provides a total solution, from payslips, printers and sealers to maintenance and support.
